Re: 4 Kilsyth Drive

Dear Mr. Sevak:

This communication is written to express our deepest appreciation for your assistance in helping us handling the chores of caring for a house during our not being there and to help during our sale of the home and moving adventure.

Your "house sitting" dedication was more than we expected and your sincere interest in helping us during the sale and moving-out of the home has been immeasurable. You treated our house like it was your house.

You have our sincerest gratitude in being there when needed and to offer assistance when direly required. I would hope that you share these thoughts with current and future customers. As conveyed previously, you and your family will always be welcome in our new home wherever we decide to relocate.

Regards,

Larry & Kathy Duss
